IPT Halls of Residence (Tomar and Abrantes Campuses and Mação)

Abrantes and Tomar: the IPT offers accommodation in Halls of Residence. Nevertheless, admission is not guaranteed since there are not enough places for all applicants. Admission results are given each semester just before the beginning of the classes.

Our Halls of Residence have double and triple rooms with access to a common kitchen and a living room. In exceptional cases, the female hall of residence has single rooms that can be made available in the case of health problems or other mitigating circumstances if they are properly justified.

The rooms are fully furnished and equipped with bed linen and duvets, hand and bath towels. Linen towels are changed weekly. The common spaces are cleaned daily but the rooms should be cleaned by the students themselves. The kitchen is equipped with a cooker, a fridge and a microwave, but cutlery, crockery or cooking utensils have to be supplied by the students themselves. Prices are between 86€ and 109€.

Mação: the students may stay in Museum students residence for around 150,00 € /month (food and gas expenses not included), where they have access to double rooms with bed clothes included, washing machine, refrigerator and microwaves. Students must fill in the Accommodation Application Form and send it to International Relations Office by fax or e-mail (please see contacts and the bottom of the last page).
