

Academic Authorities

IPT is a Public Higher Education Institute, with scientific and pedagogic autonomy that integrates schools of Higher Education with other services. It is directed by a President, with the advice of a General Council representing all sectors of the Institute and the community, and the control of an administrative council.

The management structure at IPT consists of the President, two Vice-President, the Administrator (Anabela Nascimento), and the School Directors (João Patrício – Tomar School of Technology, Francisco Carvalho – Tomar School of Management and Sofia Mota – Abrantes Technology School).

The Pro-President for International Relations and Institutional Coordinator is Luiz Oosterbeek.

The President of IPT - Eugénio **Pina de Almeida**

The Vice-President of IPT - **Miguel Pinto dos Santos**

The Vice-President of IPT – **João Paulo Coroado**
