

Bars and Canteens

The Food Unit on the IPT Campus is located next to the Halls of Residence and houses a cafeteria, a standard snack-bar on the first floor and a low-cost canteen on the ground floor. This canteen is designed to serve the IPT students and requires the use of meal tickets which can be bought at the IPT Social Services until the day before.

A complete meal (soup, main course, bread, drink and dessert) at the canteen costs € 2.35 and students can choose between a fish, meat or diet dish and on Thursdays a vegetarian dish is also an option. This service is available at lunch and dinner times.
