

International Students Welcome Committee (CAEI)

The International Students Welcome Committee is an association of IPT students. This association may help International Students integrate into academic and local life, and into Portuguese culture.

This association works in cooperation with the IRO (international relations office) and may be able to help International Students with practical issues; from their arrival in Tomar until departure.

For more information visit the site: <http://caei.blogs.sapo.pt/> or www.facebook.com/ISWC.IPT
