

1st INTERNATIONAL STAFF WEEK
HIGHER EDUCATION FOR GLOBAL
UNDERSTANDING

Workshop Planning the future: joint masters, distance learning courses, research networks, strategic partnerships, capacity building projects.

What is it?

This workshop will be a room for planning future cooperation. You will meet other partners and all together we will share ideas of possible cooperation in several subject areas and typology of programmes.

What is expected?

Bring us your ideas for cooperation relatively to joint masters, distance learning courses, research networks, strategic partnerships, capacity building projects or any others issues...Tell us what are your expertise, find the experts you need...

We will try to organise meetings between persons sharing the same aims.

Inspire us with your proposals!

Note: Please send you presentation till 30 th April to gri@ipt.pt; plan a presentation for no more than 15 minutes
